Motor Vehicle Collision Form

20) Did your head hit any of the following?

windshield carframe				
carframe	steering wheel	side door	dashboard	ceiling
Carrianie	another passenger	seat	side window	
Other:				
24) Did fo.	a hit any of the fallowing:			
21) Did your fac	e hit any of the following?	as year francis		
	steering wheel	side door	dashboard	ceiling
carframe	another passenger	seat	side window	
Other:				
22) Did your sho	oulders hit any of the follo	wing?		
windshield	steering wheel	side door	dashboard	ceiling
carframe	another passenger	seat	side window	
Other:				
22) Did	ak hit any of the following	o entranced in earth of		
23) Dia your nec	ck hit any of the following			
windshield	steering wheel	side door	dashboard	ceiling
carframe	another passenger	seat	side window	
Other:	140 pt = 191 pt	State 1	wild the later	
24) Did your che	est hit any of the following	1?		
	est hit any of the following		dashboard	ceiling
windshield	steering wheel	side door	dashboard side window	ceiling
			dashboard side window	ceiling
windshield carframe	steering wheel	side door	-	ceiling
windshield carframe	steering wheel another passenger	side door seat	-	ceiling
windshield carframe	steering wheel another passenger	side door seat	-	ceiling
windshield carframe Other:	steering wheel another passenger s hit any of the following?	side door seat	side window	
windshield carframe Other: 25) Did your hips windshield	steering wheel another passenger s hit any of the following? steering wheel	side door seat furing the provient side door	side window dashboard	ceiling
windshield carframe Other:	steering wheel another passenger s hit any of the following?	side door seat	side window	
windshield carframe Other: windshield windshield carframe	steering wheel another passenger s hit any of the following? steering wheel another passenger	side door seat human the accordent side door seat	side window dashboard	
windshield carframe Other: 25) Did your hip: windshield carframe	steering wheel another passenger s hit any of the following? steering wheel	side door seat human the accordent side door seat	side window dashboard	
windshield carframe Other: 25) Did your hips windshield carframe Other:	steering wheel another passenger s hit any of the following? steering wheel another passenger	side door seat side door side door seat	side window dashboard	
windshield carframe Other: 25) Did your hips windshield carframe Other:	steering wheel another passenger s hit any of the following? steering wheel another passenger	side door seat side door side door seat	dashboard side window	ceiling
windshield carframe Other: 25) Did your hips windshield carframe Other:	steering wheel another passenger s hit any of the following? steering wheel another passenger ees hit any of the following steering wheel	side door seat side door side door seat side door seat	dashboard side window	
windshield carframe Other: windshield carframe Other: Other: Other:	steering wheel another passenger s hit any of the following? steering wheel another passenger	side door seat side door side door seat	dashboard side window	ceiling
windshield carframe Other: 25) Did your hips windshield carframe Other: 26) Did your kne windshield	steering wheel another passenger s hit any of the following? steering wheel another passenger ees hit any of the following steering wheel	side door seat side door side door seat side door seat	dashboard side window	ceiling
windshield carframe Other: windshield carframe Other: windshield carframe Other: Other: carframe Other: carframe	steering wheel another passenger s hit any of the following? steering wheel another passenger ees hit any of the following steering wheel	side door seat side door side door seat side door seat	dashboard side window	ceiling
windshield carframe Other: 25) Did your hips windshield carframe Other: 26) Did your kne windshield carframe	steering wheel another passenger s hit any of the following? steering wheel another passenger es hit any of the following steering wheel another passenger	side door seat side door side door seat side door seat	dashboard side window	ceiling
windshield carframe Other: 25) Did your hips windshield carframe Other: 26) Did your kne windshield carframe	steering wheel another passenger s hit any of the following? steering wheel another passenger ees hit any of the following steering wheel	side door seat side door side door seat side door seat	dashboard side window dashboard side window	ceiling
windshield carframe Other: 25) Did your hips windshield carframe Other: 26) Did your kne windshield carframe	steering wheel another passenger s hit any of the following? steering wheel another passenger es hit any of the following steering wheel another passenger	side door seat side door side door seat side door seat	dashboard side window	ceiling

28) What kind of headrests were in your vehicle?

movable fixed head restra				
	aints	fixed, non mov	able head restraints	no head restraints
Other:				56.00
29) Where was your head	rest posit	ioned on your	head?	
at the top of the back of h				at the lower portion of the back o
			head	head
at the level of the back of	neck	at the level of	the shoulder blades	- 16-16-16-16-16-16-16-16-16-16-16-16-16-1
AND ARTHUR LESSANDER, SPENS				
Other:	Personal Company	16-01	and the same of th	
30) Did you have your sea	atbelt on?			
was wearing a shoulder strap		was wearir	ng a lap belt seat belt	was in a baby car seat
was not wearing her sea	tbelt		ber is she had a seat bel	
31) Did you slide out of yo	our coath	l+2	on	
	our seathe	State of the state		
slid out of seatbelt		remaine	d in seatbelt	partially slid out of seatbelt
Other:		icle?		
windshield	stee	ring wheel	dashboard	seat frame
side window	rea	ar window	mirror	knee bolster
Side Willdow		trunk	completely totale	
rear bumper				d front left door
		k left door	back right door	front left door none
rear bumper	bac	k left door		
rear bumper front right door Other:	bac	k left door ward during th	back right door	
rear bumper front right door Other:	bac	k left door	back right door	
rear bumper front right door Other: Side door	dented in	k left door ward during th	back right door	none
rear bumper front right door Other: Side door	dented in	k left door ward during th	back right door	none
rear bumper front right door Other: Side door Other:	bac dented in	k left door ward during th	back right door e accident? floor board	none
rear bumper front right door Other: Side door Other:	dented in da	k left door ward during th	back right door e accident? floor board	none
rear bumper front right door Other: Side door Other: Choose the items that side door Other: Side door	dented in da would no	ward during the shboard t open as a reseashboard	back right door e accident? floor board ult of accident?	none
rear bumper front right door Other: 33) Choose the items that side door Other: 34) Choose the doors that side door	dented in da would no	ward during the shboard t open as a reseashboard	back right door e accident? floor board ult of accident?	none
rear bumper front right door Other: Side door Other: Other: Other: Other:	dented in da would no	ward during the shboard t open as a reseashboard	back right door e accident? floor board ult of accident?	none

36) Please choose the locations of your problems:

upper back	shoulder
hand	mid back
knee	ankle
	knee

Other:					
37) Were you ho	ospitalized overn	ight?			
,,				1-	
20) At the been		no	n	i/a	
oo) At the nospi		escribed pain medica			
	yes	no	n	/a	
39) Were you p	rescribed muscle	relaxers at the hosp	oital?		
	yes	no	n	/a	
0) Did you rec	eive stitches for	any cuts?			
		no	n	/a	
11) Did vou rec	eive any of the fo		yes r		
				11/0	
Cervical (Collar	back brace	Cervical colla	r and back brace	n/a
skull pelvis	neck hips	midback leg	lowerback knee	foot shoulder	arm no x-rays
Other:					
43) Was an MR	I performed?				
skull	neck	midback	lowerback	foot	arm
pelvis	hips	leg	knee	shoulder	no MRI
Other:					
44) Did you rec	eive any special				
skull	neck	midback	lowerback	foot	arm
pelvis	hips	leg	knee	shoulder	no special imaging
Other:
